

Hampton Court House - Lower Years Curriculum - French Drama: Year 1

	Autumn Term	Spring Term	Summer Term
Skills	<p>Pupils use language and actions to explore and convey situations, characters and emotions. They create and sustain roles individually and when working with others. Pupils can explore characters and events to develop their understanding of a narrative or use working in role to develop their own stories. Pupils enhance their ability to concentrate, listen and respond appropriately. They increase their physical control and spatial awareness as well as interact with others positively during collaborative work. Pupils also develop and perfect their singing skills. Overall learners increase their confidence and self-control.</p>
