Curriculum Outline 2019/20 – Year 10 Mandarin (CGC)

Autumn 2019

Principal Text: *Edexcel GCSE Chinese, AQA GCSE Chinese 1*

The main topics are My Life, School and Leisure. Students will be revising the key vocabulary and phrases they have learnt previously, however, focusing on applying them in open interactions.

The key skill for this term is reasoning. Students will be encouraged to explain why in their spoken, as well as their written work.

To prepare the students for the GCSE exam, exam strategies will be introduced and practised through out the school year.

Links with fundamental values

Students will discuss about the importance of media being transparent and that everyone's voice should be heard. We will look at what is the situation like in China and the reason behind.

Social, moral, spiritual and cultural content
Students will be encouraged to compare social moral standards in Chinese speaking community and English speaking community. They will learn to express their opinions in Mandarin.
