## Curriculum Outline 2019/20 – Year 11 French (CAG) Set 1

### Autumn 2019

Principal Text: *GCSE French for AQA*

We will start the year starting straight away with future studies and choices of education after the GCSEs. We will then go back to the topics of family and this time we will look at relationships, marriage and family structures. Before Christmas, we will tackle the topic on environment.

Grammar and conjugation: revision of all the tenses of the indicative and conditional, si clauses, passive voice, gerundive, pluperfect.

Skills: We will look at false friends, idioms, and we will work on developing the four skills.

Pupils will be tested weekly on vocabulary.

They will also be assessed after each point of grammar studied to check learning and comprehension.

At the end of each topic, an overall assessment will be done.

Students will need to work on the four skills (listening, reading, writing and speaking).

Links with fundamental values

The French curriculum links with the British Fundamental values and resilience in each lesson through discussing our friendships, values that matters, tolerance of differences. The different topics will give them the opportunity to see how one can think differently and how we can all come from a different background. Pupils will also develop resilience through the challenges of the exercises they will do, and building up the confidence in speaking in another language in front of peers. They will also learn to work in pairs, in teams and given each other support.

Social, moral, spiritual and cultural content

The classroom environment will promote a safe environment where students can feel free to share their opinion and feel heard and valued. Throughout the French GCSE curriculum, we will discover the Francophone world and see how people in different communities live. (school system in Senegal for example).

Opportunities to independently extend learning  
Use of the app Quizlet.

### Spring 2020

Principal Text: *GCSE French for AQA*

We will complete the environment topic to move on towards another big topic tackling inequalities in society poverty and charity work. We will then complete our curriculum studying career paths, the pros and cons of various profession and at last, we will look at social network, the use of technology, its benefits and dangers.

Grammar and conjugation: we will look at the subjunctive, the verbs expressing possibility, the passive.

We will keep focussing on developing the four skills and translation.

### Summer 2020

Principal Text: *GCSE French for AQA*

After Easter holidays, we will focus on revisions and preparation for the exams. We will first put a greater emphasis on speaking as the speaking exam will first take place the first week of May. The listening and reading exams will take place on the 12th May 2020 and the Writing exam will take place on the 15th May 2020. The speaking exam will take place the week starting on 04th May.
