1. Background Information

About the school

- 1.1 Hampton Court House School, located in the London Borough of Richmond-upon-Thames, is an independent co-educational day school. The school dates back to September 2001. Since the previous inspection, the ownership of the school has changed, and it is now wholly owned and governed by Dukes Education.
- 1.2 The current headteacher was appointed in September 2021 and the current principal in May 2022.
- 1.3 The school prepares pupils for examinations at GCSE and A level. Through the school's bilingual immersion programme in French, at the end of Year 4 students take the first Diplôme d'Études en Langue Française, which is set by the French government. The school is accredited as an Institut Français centre.

What the school seeks to do

- 1.4 The school aims to create a kinder world by developing, scholarly, cultured and reflective minds. It seeks to focus on traditional, systematic teaching, which stretches and stimulates every child. The school believes that children need guided freedom in order to develop their independence and confidence to use their voice. Staff and pupils address each other on a first-name basis, through which the school seeks to encourage a culture based on mutual respect.

About the pupils

- 1.5 Pupils come from all areas of west London and the surrounding counties and from families with largely business, creative and professional backgrounds, many with an international background. A third of pupils have a language other than English as their first language and, for the overwhelming majority, no additional language support is needed to ensure progress. Through the French immersion programme, most pupils are largely bilingual by the end of the primary phase. The school has identified 67 pupils as having special educational needs and/or disabilities (SEND), of whom 16 receive specialist learning support. There are currently no pupils with an education, health and care (EHC) plan.

2. Regulatory Compliance Inspection

Preface

The Independent Schools Inspectorate (ISI) is approved by the Secretary of State to inspect schools which are, or whose heads are, in membership of the associations which form the Independent Schools Council (ISC) and report on the extent to which they meet the Independent School Standards ('the standards') in the Schedule to the Education (Independent School Standards) Regulations 2014. Inspections of schools with early years settings not requiring registration also report whether the school complies with key provisions of the Early Years Foundation Stage (EYFS) statutory framework. Additionally, inspections report on the school's accessibility plan under Schedule 10 of the Equality Act 2010 and the ban on corporal punishment under section 548 of the Education Act 1996. Inspections also comment on the progress made to meet any compliance action points set out in the school's most recent statutory inspection.

ISI inspections are also carried out under the arrangements of the ISC Associations for the maintenance and improvement of the quality of their membership.

This is a COMPLIANCE ONLY inspection and as such reports only on the school's compliance with the standards. The standards represent minimum requirements and judgements are given either as **met** or as **not met**. All schools are required to meet all the standards applicable to them. Where the minimum requirements are not met, this is clearly indicated and the school is required to take the actions specified.

Inspections do not include matters that are outside of the regulatory framework described above, such as: an exhaustive health and safety audit; compliance with data protection requirements; an in-depth examination of the structural condition of the school, its services or other physical features; contractual arrangements with parents; an investigation of the financial viability of the school or its accounting procedures.

Inspectors may be aware of individual safeguarding concerns, allegations and complaints as part of the inspection process. Such matters will not usually be referred to specifically in published reports in this document but will have been considered by the team in reaching its judgements.

Links to the standards and requirements can be found here: [The Education \(Independent School Standards\) Regulations 2014, Early Years Foundation Stage Statutory Framework](#).
