It may be disclosed to regulatory bodies for the purposes of monitoring and/or enforcing Our compliance with any regulatory rules/codes. Your information may also be used for offering renewal, research and statistical purposes and crime prevention. It may be transferred to any country, including countries outside the European Economic Area for any of these purposes and for systems administration. Where this happens, We will ensure that anyone to whom We pass Your information agrees to treat Your information with the same level of protection as if We were dealing with it.

If You give Us information about another person, in doing so You confirm that they have given You permission to provide it to Us and for Us to be able to process their personal data (including any sensitive personal data) and also that You have told them who We are and what We will use their data for, as set out in this notice.

In the case of personal data, with limited exceptions, and on payment of the appropriate fee, You have the right to access and if necessary rectify information held about You.

In assessing Your application now or at renewal, We or Our agents may undertake checks against publicly available information (such as electoral roll, county court judgments, bankruptcy orders or repossessions). Similar checks may be made in assessing any claims made.

- Share information about You with other organisations and public bodies including the Police;
- Undertake credit searches and additional fraud searches;
- Check and/or file Your details with fraud prevention agencies and databases, and if You give us false or inaccurate information and We suspect fraud, We will record this to prevent fraud and money laundering.

THE CONTRACT OF INSURANCE

The policy, the information You have provided and/or the application form, the declaration made by You and The Schedule should be read together and form the contract of insurance between You, The Policyholder and Us, Aviva.

In return for You having paid or agreed to pay the premium for the Period of Insurance, We will indemnify You by payment or, at Our option, by reinstatement or repair, in respect of loss, liability, destruction, damage, accident or injury, to the extent of and subject to the terms contained in or endorsed on the policy.

Important

This policy is a legal contract. You must tell Us about any material circumstances which affect Your insurance and which have occurred either since the policy started or since the last renewal date.

A circumstance is material if it would influence Our judgment in determining whether to provide the cover and, if so, on what terms.

If You are not sure whether a circumstance is material ask Your insurance adviser. If You fail to tell Us it could affect the extent of cover provided under the policy.

You should keep a written record (including copies of letters) of any information You give Us or Your insurance adviser when You renew this policy.

Breach of Term

We agree that where there has been a breach of any term (express or implied) which would otherwise result in Us automatically being discharged from any liability, then such a breach shall result in any liability We might have under this policy being suspended. Such a suspension will apply only from the date and time at which the breach occurred and up until the date and time at which the breach is remedied. This means that We will have no liability in respect of any loss occurring, or attributable to something happening, during the period of suspension.

Terms not relevant to the actual loss

Where there has been non-compliance with any term (express or implied) of this policy, other than a term that defines the risk as a whole, and compliance with such term would tend to reduce the risk of

- loss of a particular kind, and/or
- loss at a particular location, and/or
- loss at a particular time,

then We agree that We may not rely on the non-compliance to exclude, limit or discharge Our liability under this policy if You show that non-compliance with the term could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

POLICY DEFINITIONS
