Whistleblowing Policy

1.2 Terminology

Principal, means Principal of the School.

Parents includes one or both parents, a legal guardian, or education guardian.

School means Hampton Court House School.

Student or Students means any student or students in the School at any age.

2 Introduction

The School is committed to providing the best possible care and education to its Students and to safeguarding and promoting the welfare of children and young people. The School is also committed to providing a supportive and flexible working environment to all its members of staff. The School recognises that, in order to achieve these aims, it is of fundamental importance to attract, recruit and retain staff of the highest calibre who share this commitment.

The aim of the School's Recruitment Policy is as follows:

- To ensure that the best possible staff are recruited on the basis of their merits, abilities and suitability for the position
- To ensure that all job applicants are considered equally and consistently
- To ensure that no job applicant is treated unfairly on any grounds including race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age
- To ensure compliance with all relevant legislation, recommendations and guidance including the statutory guidance published by the Department for Education (DfE), Keeping Children Safe in Education (KCSIE September 2024), Disqualification under the Childcare Act 2006 (DUCA), the Prevent Duty Guidance for England and Wales 2015 (the Prevent Duty Guidance) and any guidance or code of practice published by the Disclosure and Barring Service (DBS)
- To ensure that the School meets its commitment to safeguarding and promoting the welfare of children and young

people by carrying out all necessary pre-employment checks.

Employees involved in the recruitment and selection of staff are responsible for familiarising themselves with and complying with the provisions of this policy.

3 Data Protection

The School is legally required to carry out the pre-appointment checks detailed in this procedure. Staff and prospective staff will be required to provide certain information to the School to enable the School to carry out the checks that are applicable to their role. The School will also be required to provide certain information to third parties, such as the Disclosure and Barring Service and the Teaching Regulation Agency (previously known as the National College for Teaching and Leadership (NCTL)). Failure to provide requested information may result in the School not being able to meet its employment, safeguarding or legal obligations. The School will process personal information in accordance with its GDPR (Data Protection) Policy.

4 Recruitment and Selection Procedure

All applicants for employment will be required to complete an application form containing questions about their academic and employment history and their suitability for the role. Incomplete application forms will be returned to the applicant where the deadline for completed application forms has not passed. Should there be any gaps in academic or employment history, a satisfactory explanation must be provided. A curriculum vitae will not usually be accepted in place of the completed application form, though may be submitted as an addition.

Applicants will receive a job description and person specification for the role applied for. Application forms, job descriptions, person specifications and the School's Safeguarding and Child Protection Policy are available to download from the School's website. The applicant may then be invited to attend a formal interview at which his/her relevant skills and experience will be discussed in more detail. All shortlisted applicants will be tested at interview about their suitability to work with children.

For teaching positions, where possible, the candidate will be observed teaching a lesson and notes kept of the outcome of the observation.

If it is decided to make an offer of employment following the formal interview, any such offer will be conditional on the following:

- The agreement of a mutually acceptable start date and the signing of a contract incorporating the School's standard terms and conditions of employment
- Verification of the applicant's identity (where that has not previously been verified)
- Verification of qualifications, whether professional or otherwise, which the School takes into account in making the appointment decision, or which are referred to in the application form, whether a requirement for the role or not
- Verification of the applicant's employment history
- The receipt of two references (one of which must be from the applicant's most recent employer) which the School considers to be satisfactory
- For positions which involve "teaching work", information about whether the applicant has ever been referred to, or is the subject of a sanction, restriction or prohibition issued by the Teaching Regulation Agency which renders them unable or unsuitable to work at the School
- For applicants who have carried out teaching work outside the UK, information about whether the applicant has ever been referred to, or is the subject of a sanction issued by a regulator of the teaching profession in any other country which renders them unable or unsuitable to work at the School
- Where the position amounts to "regulated activity" (see below), the receipt of an enhanced disclosure from the DBS which the School considers to be satisfactory
- Where the position amounts to "regulated activity" (see below), confirmation that the applicant is not named on the Children's Barred List ¹
- For management positions, information about whether the applicant has ever been referred to the Department for Education, or is the subject of a direction under section 128 of the Education and Skills Act 2008 which renders them unable or unsuitable to work at the School

- Confirmation that the applicant is not disqualified from acting as a trustee/governor or senior manager of a charity under the Charities Act 2011 (if applicable, see below)
- Confirmation that the applicant is not disqualified from working in connection with early or later years provision (if applicable, see below)
- Verification of the applicant's medical fitness for the role (see below)
- Online content (internet and social media searches)
- Verification of the applicant's right to work in the UK and
- Any further checks which the School decides are necessary as a result of the applicant having lived or worked outside of the UK which may include an overseas criminal records check, certificate of good conduct or professional references.

5 Pre-Employment Checks

In accordance with the recommendations set out in KCSIE (September 2024 and subsequent versions) and the requirements of the Education Regulations 2014, the School carries out a number of pre-employment checks in respect of all prospective employees.

In addition to the checks set out below, the School reserves the right to obtain such formal or informal background information about an applicant as is reasonable in the circumstances to determine whether they are suitable to work at the School. This will include internet and social media searches.

In fulfilling its obligations, the School does not discriminate on the grounds of race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partnership status, disability or age.

¹ The School is not permitted to check the Children's Barred List unless an individual will be engaging in "regulated activity". The School is required to carry out an enhanced DBS check for all staff, supply staff and governors who will be engaging in "regulated activity". However, the School can also carry out an enhanced DBS check on a person who would be carrying out "regulated activity" but for the fact that they do not carry out their duties frequently enough i.e. roles which would amount to "regulated activity" if carried out more frequently. Whether a position amounts to "regulated activity" must therefore be considered by the School in order to decide which checks are appropriate. It is however likely that in nearly all cases the School will be able to carry out an enhanced DBS check and a Children's Barred List check.

5.1 Verification of Identity, Address and Qualifications

All applicants who are invited to an interview will be required to bring with them evidence of identity, right to work in the UK, address and qualifications as set out below and in the list of valid identity documents at Appendix A (these requirements comply with DBS identity checking guidelines):

- One document from Group 1 and
- Two further documents from either of Group 1, Group 2a or Group 2b, one of which must verify the applicant's current address and
- Original documents confirming any educational and professional qualifications referred to in their application form.

Where an applicant claims to have changed their name by deed poll or any other means (e.g. marriage, adoption, statutory declaration), they will be required to provide documentary evidence of the change.

The School asks for the date of birth of all applicants to assist with the vetting of the applicants. Proof of date of birth is necessary so that the School may verify the identity of all applicants, and check for any unexplained discrepancies in the employment and education history. The School does not discriminate on the grounds of age.

5.2 References

References will be taken up on shortlisted applicants prior to interview, where possible, for academic positions. No questions will be asked about health or medical fitness prior to any offer of employment being made.

All offers of employment will be subject to the receipt of a minimum of two references which are considered satisfactory by the School. One of the references must be from the applicant's current or most recent employer. If the current/most recent employment does/did not involve work with children, then the second reference should be from the employer with whom the applicant most recently worked with children. Neither referee should be a relative or someone known to the applicant solely as a friend.

All referees are asked whether they believe the applicant is suitable for the job for which they have applied and whether they have any reason to believe that the applicant is unsuitable to work with children. Referees will also be asked to confirm that the applicant has not been radicalised so that they do not support terrorism or any form of "extremism" (see the definition of "extremism" at section 8 below). If the referee is a current or previous employer, they will also be asked to confirm the following:

- The applicant's dates of employment, salary, job title/duties, reason for leaving, performance, sickness² and disciplinary record
- Whether the applicant has ever been the subject of disciplinary procedures involving issues related to the safety and welfare of children (including any in which the disciplinary sanction has expired), except where the issues were deemed to have resulted from allegations which were found to be false, unsubstantiated or malicious
- Whether any allegations or concerns have been raised about the applicant that relate to the safety and welfare of children or young people or behaviour towards children or young people, except where the allegation or concerns were found to be false, unsubstantiated or malicious
- Whether the applicant could be considered to be involved in "extremism" (see the definition of "extremism" at section 8 below).

The School will only accept references obtained directly from the referee and it will not rely on references or testimonials provided by the applicant or on open references or testimonials.

The School will compare all references with any information given on the application form. Any discrepancies or inconsistencies in the information will be taken up with the applicant and the relevant referee before any appointment is confirmed.

Where a reference is not received prior to interview it will be reviewed upon receipt. Any discrepancies identified between the reference and the application form and/or the interview assessment form will be considered by the School. The applicant may be asked to provide further information or clarification before an appointment can be confirmed.

If factual references are received i.e. those which contain limited information such as job title and dates of employment, this will not necessarily disadvantage an applicant although additional references may be sought before an appointment can be confirmed.

The School may at its discretion make telephone contact with any referee to verify the details of the written reference provided.

All internal candidates who apply for a new role at the School will have their application assessed in accordance with this procedure. References will be taken up on all internal candidates as part of the application process but can be provided by colleagues as the School will be the most recent employer.

5.3 Criminal Records Checks

Prior to 29 May 2013, an enhanced disclosure contained details of all convictions on record (including those which are defined as "spent" under the Rehabilitation of Offenders Act 1974), together with details of any cautions, reprimands or warnings held on the Police National Computer. It could also contain non-conviction information from local police records which a chief police officer considered relevant to the role applied for at the School.

5.3.1 DBS Filtering Rules

Since 29 May 2013 the DBS commenced the filtering and removal of certain specified information relating to old and minor criminal offences from all criminal records disclosures. The DBS and the Home Office have developed a set of filtering rules relating to spent convictions which work as follows:

For those aged 18 or over at the time of an offence

- An adult conviction for an offence committed in the United Kingdom will be removed from a DBS disclosure if:
 - a) 11 years have elapsed since the date of conviction
 - b) it is the person's only offence and
 - c) it did not result in a custodial sentence
- The conviction will not be removed under any circumstances if it appears on a list of "specified offences" which must always be disclosed. If a person has more than one offence on their criminal record, then details of all their convictions will always be included
- A caution received when a person was aged 18 or over for an offence committed in the United Kingdom will not be disclosed if 6 years have elapsed since the date it was issued, and if it does not appear on the list of "specified offences".

For those aged under 18 at the time of an offence

- A conviction for an offence committed in the United Kingdom will be removed from a DBS disclosure if:
 - a) 5½ years have elapsed since the date of conviction
 - b) it is the person's only offence and
 - c) it did not result in a custodial sentence
- The conviction will not be removed under any circumstances if it appears on the list of "specified offences", or if a person has more than one offence on their criminal record.
- A caution received when a person was aged under 18 for an offence committed in the United Kingdom will not be disclosed if 2 years have elapsed since the date it was issued and if it does not appear on the list of "specified offences".

The list of "specified offences" which must always be disclosed

- This contains a large number of offences, which includes certain sexual, violent and other offences that are considered so serious they will always be disclosed, regardless of when they took place or of the person's previous or subsequent criminal record. The list of "specified offences" can be found at:

<https://www.gov.uk/government/publications/dbs-list-of-offences-that-will-never-be-filtered-from-a-criminal-record-check>.

5.3.2 "Regulated Activity"

The School applies for an enhanced disclosure from the DBS and a check of the Children's Barred List (now known as an Enhanced Check for Regulated Activity) in respect of all positions at the School which amount to "regulated activity" as defined in the Safeguarding Vulnerable Groups Act 2006 (as amended). The purpose of carrying out an Enhanced Check for Regulated Activity is to identify whether an applicant is barred from working with children by inclusion on the Children's Barred List and to obtain other relevant suitability information.

- 1) ALL **REGULAR** WORK FOR SCHOOLS WITH OPPORTUNITY FOR CONTACT WITH CHILDREN IS REGULATED ACTIVITY, except:
 - Work (not entailing personal care, within definition 2) by supervised volunteers
 - Work (not entailing care or teaching, within definitions 2 or 3) by occasional/temporary contractors
 - Work by pupils for other pupils (excepting for those in early years) (known as 'the peer exemption').
- 2) Relevant personal care, or health care is regulated activity –
 - Personal care includes helping a child, for reasons of age, illness or disability, with eating or drinking, or in connection with toileting, washing, bathing and dressing.
 - Health care in this context means care for children provided by or under the direction or supervision of, a regulated health care professional.

Note that 'care' within this definition is always regulated; considerations of regularity and supervision do not apply.

- 3) Regular, unsupervised teaching, training, instructing, caring for or supervising children is regulated activity and so is regularly
 - providing advice or guidance for children on well-being, or
 - driving a vehicle only for children.

It is for the School to decide whether a role amounts to "regulated activity", taking into account all the relevant circumstances. However, nearly all posts at the School amount to "regulated activity". Limited exceptions could include an administrative post undertaken on a temporary basis in the School office outside of term time or voluntary posts which are supervised.

5.3.3 The DBS Disclosure Certificate

The DBS issues the DBS disclosure certificate to the subject of the check only, rather than to the School. It is a condition of employment with the School that the original disclosure certificate is provided to the School within 2 weeks of it being received by the applicant. Original certificates should not be sent by post. A convenient time and date for bringing the certificate into the School should be arranged with the HR Department as soon as it has been received.

Employment will remain conditional upon the original certificate being provided and it being considered satisfactory by the School.

5.3.4 Starting Work Pending Receipt of the DBS Disclosure

If there is a delay in receiving a DBS disclosure the Principal has discretion to allow an individual to begin work pending receipt of the disclosure certificate. A Risk Assessment will be drawn following receipt of satisfactory references and approval from the Principal. This will only be allowed if all other checks, including a clear check of the Children's Barred List (where the position amounts to "regulated activity"), have been completed and once appropriate supervision has been put in place.

5.3.5 Applicants with Periods of Overseas Residence

DBS checks will still be requested for applicants with recent periods of overseas residence and those with little or no previous UK residence. The School will take advice from the Disclosure and Barring Service in such circumstances.

The School takes into account the guidance issued by the NSPCC when deciding whether to request overseas information from applicants, which recommends that such information should be sought on those who have lived overseas for periods of three months or more in the last ten years. However, the School recognises that Education (Independent School Standards) Regulations 2014 do not specify that a minimum period of overseas residence is required. The School therefore assesses each applicant's situation on its individual facts.

Where applicants are asked to provide further overseas information this will include a criminal record check from the relevant jurisdiction(s) or a certificate of good conduct (as appropriate) and/or references from any employment held. Guidance on how to obtain a check can be found by searching for '*overseas criminal record checks*' on Gov.uk.

Work can only commence once sufficient overseas information has been received and only if the School has considered that information and confirmed that the applicant is suitable to commence work at the School.

5.4 Prohibition from Teaching Check

The School is required to check whether staff who carry out "teaching work" are prohibited from doing so. The School uses the Teaching Regulation Agency Teacher Services system to check whether successful applicants are the subject of a prohibition, or interim prohibition order, issued by a professional conduct panel on behalf of the Teaching Regulation Agency.

In addition the School asks all applicants for roles which involve "teaching work" (and their referees) to declare in the application form whether they have ever been referred to, or are the subject of a sanction, restriction or prohibition issued by, the Teaching Regulation Agency or other equivalent body in the UK.

It is the School's position that this information must be provided in order to fully assess the suitability of an applicant for a role which involves "teaching work". Where an applicant is not currently prohibited from teaching but has been the subject of a referral to, or hearing before, the Teaching Regulation Agency (or other equivalent body), whether or not that resulted in the imposition of a sanction, or where a sanction has lapsed or been lifted, the School will consider whether the facts of the case render the applicant unsuitable to work at the School. The School carries out this check, and requires associated information, for roles which involve "teaching work". In doing so, the School applies the definition of "teaching work" set out in the Teachers' Disciplinary (England)

Regulations 2012 which states that the following activities amount to "teaching work":

- Planning and preparing lessons and courses for Students
- Delivering lessons to Students
- Assessing the development, progress and attainment of Students and
- Reporting on the development, progress and attainment of Students.

The above activities do not amount to "teaching work" if they are supervised by a qualified teacher or other person nominated by the Principal. If in any doubt or if the applicant has taught previously, or may teach in future, the check will be undertaken, including for sports coaches.

In addition, for all appointments made on or after 18 January 2016 where an applicant has carried out teaching work outside of the UK, the School will ask the applicant (and their referees) whether they have ever been referred to, or are the subject of a sanction issued by, a regulator of the teaching profession in the countries in which they have carried out teaching work.

5.5 Prohibition from Management Check

The School is required to check whether any applicant for a management position is subject to a direction under section 128 of the Education and Skills Act 2008 which prohibits, disqualifies or restricts them from being involved in the management of an independent school (a section 128 direction).

This check applies to appointments to the following positions made on or after 12 August 2015:

- The Head
- Teaching posts on the senior leadership team
- Teaching posts which carry a departmental head role
- Support staff posts on the senior leadership team
- Appointments to the governing body.

The relevant information is contained in the enhanced DBS disclosure certificate (which the School obtains for all posts at the School that amount to "regulated activity"). It can also be obtained through the Teaching Regulation Agency Teacher Services system. The School will use either, or both, methods to obtain this information.

In addition the School asks all applicants for management roles to declare in the application form whether they have ever been the subject of a referral to the Department for Education, or are subject to a section 128 direction or any other sanction which prohibits, disqualifies or restricts them from being involved in the management of an independent school.

It is the School's position that in order to fully assess the suitability of an applicant for a management role it must be provided with the above information. Where an applicant is not currently prohibited from management but has been the subject of a referral to, or hearing before, the Department for Education or other appropriate body, whether that resulted in the imposition of a section 128 direction or other sanction, or where a section 128 direction or other sanction has lapsed or been lifted, the School will consider whether the facts of the case render the applicant unsuitable to work at the School.

5.6 Childcare Disqualification

The Childcare Act 2006 (Act) and the Childcare (Disqualification) Regulations 2009 (Regulations) state that it is an offence for the School to employ anyone in connection with the early years provision (EYP) or later years provision (LYP) who is disqualified, or for a disqualified person to be directly involved in the management of EYP or LYP.

5.6.1 Definitions

- EYP includes usual school activities and any other supervised activity for a child up to 1 September after the child's fifth birthday, which takes place on the School premises during or outside of the normal School day
- LYP includes provision for children not in EYP and under the age of eight which takes place on School premises

outside of the normal School Day, including, for example breakfast clubs, after School clubs and holiday clubs. It does not include extended School hours for co-curricular activities such as sports activities

- DUCA states that only those individuals who are employed directly to provide childcare are covered by the Regulations. "Childcare" means any form of care for a child, which includes education and any other supervised activity for a child who is aged five or under. "Childcare" in LYP does not include education during School hours but does cover before and after school clubs.

5.6.2 Relevant Roles

Roles which will be covered by the Regulations are teaching and teaching assistant positions in EYP, and those which involve the supervision of under 8s in LYP. Those who are directly involved in the management of EYP and LYP include the Head and may also include other members of the leadership team, as well as those involved in the day today management of EYP or LYP at the School.

Cleaners, drivers, transport escorts, catering and office staff are not covered by the Regulations.

Some roles at the School may involve the provision of childcare in EYP or LYP on an occasional basis. They will not automatically be within the scope of the Regulations and the School will therefore consider whether they do on a case-by-case basis. The Regulations only apply to a limited number of roles within the School but do extend beyond employees to governors and volunteers who carry out relevant work in EYP or LYP.

5.6.3 Grounds for Disqualification

The grounds on which a person will be disqualified from working in connection with EYP or LYP are set out in the Regulations. They are not only that a person is barred from working with children (by inclusion on the Children's Barred List) but also include:

- Having been cautioned (after 6 April 2007) for, or convicted of, certain criminal offences including violent and sexual criminal offences against children and adults whether committed in the United Kingdom or overseas
- Various grounds relating to the care of children, including where an order is made in respect of a child under the person's care
- Having been refused registration for the provision of childcare (including nurseries, day care and childminding or other childcare), having been disqualified from any such registration or having had that registration cancelled
- Having been refused an application for registration of a children's home or having had any such registration cancelled
- Having been prohibited, restricted or disqualified from private fostering or
- Living in the same household as another person who is disqualified from EYP or LYP or living in a household where a disqualified person is employed (disqualification by association). A household is deemed to cover anyone sharing "living space", including the use of a shared kitchen.

5.6.4 Self-Declaration Form

All applicants to whom an offer of employment is made, whether or not to carry out a relevant role in EYP or LYP, will be required to complete a self-declaration form confirming whether they meet any of the criteria for disqualification under the Regulations.

The School will decide whether a role is relevant and within the scope of EYP or LYP by having regard to the guidance in DUCA. Employment with the School in any relevant role will be conditional upon completion of the self-declaration form and upon the applicant not being disqualified.

The School cannot permit any person who is currently disqualified to start work in a relevant role. The School also reserves the right at its absolute discretion to withdraw an offer of employment if, in the opinion of the School, any information disclosed in the self-declaration form renders that person unsuitable to work at the School.

Applicants who have any criminal records information to disclose about themselves, or anyone in their household, must also provide the following information:

- Details of the order, restriction, conviction or caution and the date that this was made
- The relevant court or body and the sentence, if any, which was imposed and
- A copy of the relevant order or conviction.

Applicants are not required to disclose a caution or conviction for an offence committed in the United Kingdom if it has been filtered in accordance with the DBS filtering rules (see above).

Applicants must not ask for information about spent convictions from any member of their household.

For the avoidance of doubt the School does not require applicants to request any criminal records information directly from the DBS. The School only requires applicants to provide relevant information about themselves "to the best of their knowledge".

5.6.5 Waiver of a Disqualification

A person who discloses information which appears to disqualify them from working in a relevant role may apply to Ofsted for a waiver of the disqualification. The School may withdraw an offer of employment at its absolute discretion and is under no obligation to await the outcome of an Ofsted waiver application. If a waiver application is rejected, the School will withdraw the conditional offer of employment.

5.6.6 Retention of Disqualification Information

The School will securely destroy any information which is provided by an applicant which is not relevant to the childcare disqualification requirements as soon as it is established that it is not relevant. Where a person appointed to a role at the School is found to be disqualified, the School will retain any relevant information only for the period it takes for a waiver application to be heard and the decision communicated to the School, after which it will be securely destroyed.

5.6.7 Continuing Duty to Disclose Change in Circumstances

After making this declaration, staff in a relevant role are under an on-going duty to inform the School if their circumstances change in a way which would mean they subsequently meet any of the criteria for disqualification. Any failure to disclose relevant information now, or of a future change in circumstances, will be treated as a serious disciplinary matter and may lead to the withdrawal of a job offer or dismissal for gross misconduct.

5.7 Medical Fitness

The School is legally required to verify the medical fitness of anyone appointed to a post at the School, after an offer of employment has been made but before the appointment can be confirmed.

It is the School's practice that all applicants to whom an offer of employment is made must complete a health questionnaire. The School will seek advice from the School's medical advisor if appropriate. If the School's medical advisor has any doubts about an applicant's fitness, the School will consider reasonable adjustments in consultation with the applicant. The School may also seek a further medical opinion from a specialist or request that the applicant undertakes a full medical assessment.

The School is aware of its duties under the Equality Act 2010. No job offer will be withdrawn without first consulting with the applicant, obtaining medical evidence, considering reasonable adjustments and suitable alternative employment.

5.8 Social Media Checks

Following updated guidance in KCSIE 2022, Hampton Court House School now carries out online recruitment searches on shortlisted candidates. We will review publicly available social media and video sharing platforms. We look for content that calls into question the candidate's suitability to work with children and/or causes harm to the reputation of your school or trust. That means we are looking for content that evidences inappropriate or offensive behaviour, discrimination, drug or alcohol misuse and

inappropriate photos or videos.

6 Contractors and Agency Staff

The School must complete the same checks for contractors and their employees undertaking "regulated activity" at the School as it does for its own employees. The School requires written confirmation from the contractor that it has completed these checks on all of those individuals whom it intends will work at the School before any such individual can commence work at the School.

Agencies who supply staff to the School must also complete the pre-employment checks which the School would otherwise complete for its staff. Again, the School requires confirmation that these checks have been completed before an individual can commence work at the School.

The School will independently verify the identity of individuals supplied by contractors or an agency in accordance with the above and requires the provision of the DBS disclosure certificate before those individuals can commence work at the School.

7 Volunteers

The School will request an enhanced DBS disclosure and Children's Barred List information on all volunteers undertaking "regulated activity" with Students at or on behalf of the School (the definition of "regulated activity" set out above will be applied to all volunteers). The School will request an enhanced DBS disclosure without Children's Barred List information on all volunteers who do not undertake "regulated activity". This is likely to be because their volunteering duties are subject to regular, day-to-day supervision by a fully checked member of staff or by a volunteer who the School has deemed appropriate to supervise and ensure the safety of those Students in their care.

Under no circumstances will the School permit an unchecked volunteer to have unsupervised contact with Students. A DBS is required for unsupervised activity, regulated or otherwise (please refer to the school's Volunteer Policy).

It is the School's policy that a new DBS certificate is required for volunteers who will engage in "regulated activity" but who have not been involved in any activities with the School for 3 consecutive months or more. Those volunteers who are likely to be involved in activities with the School on a regular basis may be required to sign up to the DBS update service as this permits the School to obtain up-to-date criminal records information without delay prior to each new activity in which a volunteer participates.

In addition, the School will seek to obtain such further suitability information about a volunteer as it considers appropriate in the circumstances. This may include (but is not limited to the following):

- Formal or informal information provided by staff, Parents and other volunteers
- Character references from the volunteer's place of work or any other relevant source and
- An informal safer recruitment interview.

8 Visiting Speakers and the Prevent Duty

The Prevent Duty Guidance requires the School to have clear protocols for ensuring that any visiting speakers, whether invited by staff or by Students, are suitable and appropriately supervised.

The School is not permitted to obtain a DBS disclosure or Children's Barred List information on any visiting speaker who does not engage in "regulated activity" at the School or perform any other regular duties for or on behalf of the School.

All visiting speakers will be subject to the School's usual visitors' protocol. This will include signing in and out at Reception, the wearing of a visitor's badge at all times and being escorted by a fully vetted member of staff between appointments (see Visitors Policy).

The School will also obtain such formal or informal background information about a visiting speaker as is reasonable in the circumstances to decide whether to invite and/or permit a speaker to attend the School. In doing so, the School will always have regard to the Prevent Duty Guidance and the definition of "extremism" set out in KCSIE (September 2023) which states:

"Extremism" is vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. We also include in our definition of extremism calls for the death of members of our armed forces, whether in this country or overseas. Terrorist groups very often draw on extremist ideas developed by extremist organisations."

In fulfilling its Prevent Duty obligations, the School does not discriminate on the grounds of race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age.

9 Policy on Recruitment of Ex-Offenders

9.1 Background

The School will not unfairly discriminate against any applicant for employment on the basis of conviction or other details disclosed. The School makes appointment decisions on the basis of merit and ability. If an applicant has a criminal record, this will not automatically bar them from employment with the School. Each case will be decided on its merits in accordance with the objective assessment criteria set out below.

All positions within the School are exempt from the provisions of the Rehabilitation of Offenders Act 1974. All applicants must therefore declare all previous convictions and cautions, including those which would normally be considered "spent", except those received for an offence committed in the United Kingdom if it has been filtered in accordance with the DBS filtering rules (see above).

A failure to disclose a previous conviction (which should be declared) may lead to an application being rejected or, if the failure to disclose is discovered after employment has started, may lead to summary dismissal on the grounds of gross misconduct. A failure to disclose a previous conviction may also amount to a criminal offence.

It is unlawful for the School to employ anyone who is barred from working with children. It is a criminal offence for any person who is barred from working with children to apply for a position at the School. The School will make a report to the police and/or the DBS if:

- It receives an application from a barred person
- It is provided with false information in, or in support of, an applicant's application or
- It has serious concerns about an applicant's suitability to work with children.

9.2 Assessment Criteria

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the School will consider the following factors before reaching a recruitment decision:

- Whether the conviction or other matter revealed is relevant to the position in question
- The seriousness of any offence or other matter revealed
- The length of time since the offence or other matter occurred
- Whether the applicant has a pattern of offending behaviour or other relevant matters
- Whether the applicant's circumstances have changed since the offending behaviour or other relevant matters and
- The circumstances surrounding the offence and the explanation(s) offered by the applicant.

If the post involves regular contact with children, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of any the following offences:

- Murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence or
- Serious class A drug related offences, robbery, burglary, theft, deception or fraud.

If the post involves access to money or budget responsibility, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of robbery, burglary, theft, deception or fraud.

If the post involves some driving responsibilities, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted of drink driving within the last 10 years.

9.3 Assessment Procedure

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the School will carry out a risk assessment by reference to the criteria set out above before a position is offered or confirmed.

If an applicant wishes to dispute any information contained in a disclosure, they may do so by contacting the DBS. In cases where the applicant would otherwise be offered a position were it not for the disputed information, the School may, where practicable and at its discretion, defer a final decision about the appointment until the applicant has had a reasonable opportunity to challenge the disclosure information.

9.4 Retention and Security of Disclosure Information

The School's policy is to observe the guidance issued or supported by the DBS on the use of disclosure information.

10 Whistleblowing and Exit Interviews

All staff are trained so that they understand they are expected and encouraged to raise concerns they have, whether related to the safeguarding and welfare of Students, the conduct of staff or other matters, during the course of their employment in accordance with the School's policies (including the Whistleblowing Policy, the Safeguarding and Child Protection Policy and the Staff Code of Conduct). Safeguarding children is at the centre of the School's culture and is accordingly considered formally during staff performance development reviews and appraisals and finally at exit interviews which are held with all leavers.

11 Referrals to the DBS and Teaching Regulation Agency

This policy is primarily concerned with the promotion of safer recruitment and details the pre-employment checks that will be undertaken prior to employment being confirmed. Whilst these are pre-employment checks, the School also has a legal duty to make a referral to the DBS in circumstances where an individual:

- Has applied for a position at the School despite being barred from working with children or
- Has been removed by the School from working in "regulated activity" (whether paid or unpaid), or has resigned prior to being removed, because they have harmed, or pose a risk of harm to, a child.

If the individual referred to the DBS is a teacher, the School may also decide to make a referral to the Teaching Regulation Agency.

12 Queries

If an applicant has any queries on how to complete the application form or any other matter, he/she should contact the Human Resources department.
